Dear Sirs:

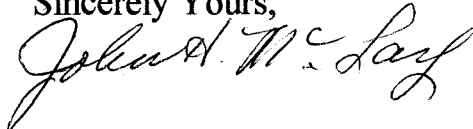

I would like to point out to you that you have not done the analysis of the annexation's impact on KESA (Kachemak Emergency Service Area), as the court ordered you.

You sent a smoke screen in your report but did not really make an analysis of the impact the annexation has on KESA, such as taking away 25% of KESA's tax base.

I suggest that a Remand Final Report be issued, also a hearing be scheduled, then a Decisional Meeting be held after that.

I sincerely ask to please take care of these concerns and suggestions as soon as possible.

Sincerely Yours,

John H. McLay
